Deacon Peter started the meeting with a short prayer.

Apologies Diane Brown, Stephanie Porter, Myra Woods, Fr. Frank Bermingham

THE STAGE Janet Lewis said that the stage had been put up last year for the school nativity play & could not be taken down. It should not be a problem this year.

NON-UNIFORM DAY we will approach the school nearer the time about this.

TRELLIS Trellis has now been taken down so will need other means of storing donations this year. Deacon Peter to speak to Fr. Frank about this.

PRESS OFFICER Notice to go into the newsletter asking for a press Officer to contact the local media nearer the date. Bernadette offered to do the posters again.

STEWARDS As none of the stewards were on hand last year on the Friday night perhaps it is advisable to ask for their help well in advance this year.

FLOATS Discussion took place about the floats & amounts put in them Deacon Peter asked that each stall advise what denominations of money they need.

RUBBISH Worked out well last year. Notice to go in newsletter nearer the date asking for someone to clear unsold goods.
